Dear Mr. Brinkman,

Thank you for your help concerning my Wailana Penthouse #2203.

You gave us excellent advice by suggesting that we have you manage the apartment for us while you look for a buyer. This way we were able to have the rental income whether the property sold or not. I was especially impressed and delighted with the fact that you were able to find a buyer in a tight market and to structure a unique deal that met both of our needs.

In the end we received top rental dollar and top sales dollar for our leasehold condo. We never could have done it without you.

Hope to see you next time we are in Hawaii.
