Dear Eddie:

Thank you again for your very professional assistance in listing and selling our condominium at 1717 Ala Wai Blvd. We were especially impressed with your "behind the scenes" support that is so critical to a successful sale. You kept us well informed on the legal intricacies of the process and offered excellent instructions on how to respond to the offer we received.

We have been involved in many real estate transactions, and found the level of communication with you to far exceed that we've received in the past. We are profoundly grateful for your support and wish you all the best with your new company.

Sincerely,

Larry & Carol Jones
